

## Can't be a Member or Subscriber? Consider Sponsoring one of our programs!

**Pilot Fund-** WaterStart has set a goal of supporting 40 more technology companies to solve some of the greatest challenges facing WaterStart's partners. Funds will be used to recruit, deploy and evaluate cutting edge water technologies.

**Channels for Innovation Summit** - WaterStart's annual water innovation showcase. This Member and Subscriber only event is dedicated to sharing best practices and lessons learned as they relate to the most compelling water technologies deployed among our members.

**WaterStarter-** WaterStart's unique intern opportunity aimed to accelerate the emerging workforce towards a career in water and/or non/profit management.

**Drinkubator-** WaterStart's quarterly networking event hosting a variety of our members and technology companies.

**CHANNELS-** Our Member's-only knowledge-sharing platform and innovation repository showcasing the results of technologies deployed among our Membership. Consider sponsoring a small or underserved utility to have access to this platform!

**As a Sponsor, 100% of your contribution will be helping agencies reach sustainability and conservation goals faster!**

### Sponsorship Benefits:

- Logo placement on website and marketing materials
- Participation in Member events
- Insight into market needs and Member priorities
- Open for discussion and creative ideas!!
